TOP 3 TWEETS THIS WEEK

Gulf Intelligence @gulf_intel · 22h
#IMO2020 - the sweeping change will be evident from mid-2019 and will be disruptive and even chaotic at times in 2020 - though most price changes will ease and be largely gone by 2025 @DaveErnsberger @SPGlobalPlatts

Platts Oil @PlattsOil · Oct 15
#Oilprices would be "easily in the three-digit range" without #Saudi's spare output capacity, according to Falih:

Sean Evers @sean_evers · 14h
Welcome to America with classic taxi driver wisdom on why there will be a big turn-out in US midterm elections - "No one like Trump... except in Kansas"
#GlonTheRoad @gulf_intel
