

# MATT STANLEY

DIRECTOR, STAR FUELS

**M**att joined Star Fuels in September 2018 after previously running the Dubai office for Freight Investor Services for the last 5 years. He works closely with clients providing advice and support on managing their requirements for both physical and derivatives across the barrel. Matt was instrumental in supporting the launch of the AG fuel oil derivative contract in 2016 and is driving other products within the AG region working closely with the Exchanges and PRA's. Matt was previously a director in London for Nigerian energy company Oando PLC and in Switzerland and Singapore for energy trading house Trafigura. Matt is a regular published commentator on the oil markets, drawing on his background of more than 18 years' experience in the oil industry.
