

IRENE AMO

ASSOCIATE, GULF INTELLIGENCE

Irene has more than 7 years of experience in the event industry. In her current role at Gulf Intelligence, she spends most of her time producing events and researching key trends across the energy industry. Irene manages the engagement of senior energy industry leadership stakeholders in the regional and international energy industry in the Gulf Intelligence platforms. Prior to working with Gulf Intelligence Irene worked with Verve Management, where she was responsible for securing speakers & creating event content for events across the Asia, Middle East, and Africa region. In her free time, Irene enjoys traveling, exploring new cuisines & cultures. She tweets at @Gilreneamo
