

# KEVIN WRIGHT

LEAD ANALYST APAC, KPLER

**K**evin has spent two decades in the oil industry. He originally worked for BP in London and Singapore, focusing on refined products trading. He has traded across several regions including Africa and the Middle East, as well as Asia and Australia. He then spent a few years working in business development for Argus Media in Singapore. He joined Kpler earlier this year as their lead analyst for Asia and focuses mostly on the crude and products markets East of Suez.
