“Every region and every country will have its own investment strategy towards the energy transition, but the good news is that everybody is now a part of that conversation.”

Badar Chaudhry  
Senior Vice President – Energy Sector  
Mashreq Bank

“We will have a field day with blue hydrogen because again, we’re the cheapest cost producer of gas. We’re making a huge investment in shale gas in Saudi Arabia and we will be dedicated to have that gas to be used for producing blue hydrogen.”

H.R.H Prince Abdulaziz bin Salman,  
Minister of Energy, Saudi Arabia
